

# PMP Exam Preparation

**AZURITE PROJECT TRAINING AND CONSULTING**

Education for working professionals

# Project Management Professional [PMP]

## Description

The Project Management Professional [PMP] is a globally recognized certification for Experienced Project Managers. This certification is provided by Project Management Institute [PMI], USA. The PMP certification increases the earning potential of the participant. PMP certification holders earn 17 percent more than their non-certified peers. It also increases mobility across industries and geographies since it is recognized in most industries and countries across the globe.

## Course Overview

This course provides the participant the necessary knowledge and contact hours required to appear for the PMP certification exam, based on the new exam format, conducted by Project Management Institute [PMI], USA

This Course package includes:

- PMP Preparation Material aligned to 2021 Exam Format
- Process Chart Worksheet
- Permanent access to videorecording of live online sessions
- Chapter Quizzes and Full-Length Tests
- 40 Contact Hours of Project Management Education
- Assistance in filling up exam form with PMI

After the successful completion of the training the participant will

- Be able to apply the information in their project work environment
- Be able to apply for the PMP exam using the provided PMI PDU's
- Be able to successfully pass the PMP exam in the first attempt
- Be able to apply for new jobs/roles based on the PMP credentials

## Course Delivery

This course is delivered in an effective plus efficient live online one to one interactive mode.

The entire course is delivered live in short sessions of 90 minutes each. This increases retention of material covered.

## Commercials

The cost of this online faculty led training is Rupees 14000 plus GST per participant.
